A puzzle of people

Individuals sorting out their own puzzling experience and working toward a goal of "finding themselves" make everyday school life an adventure.

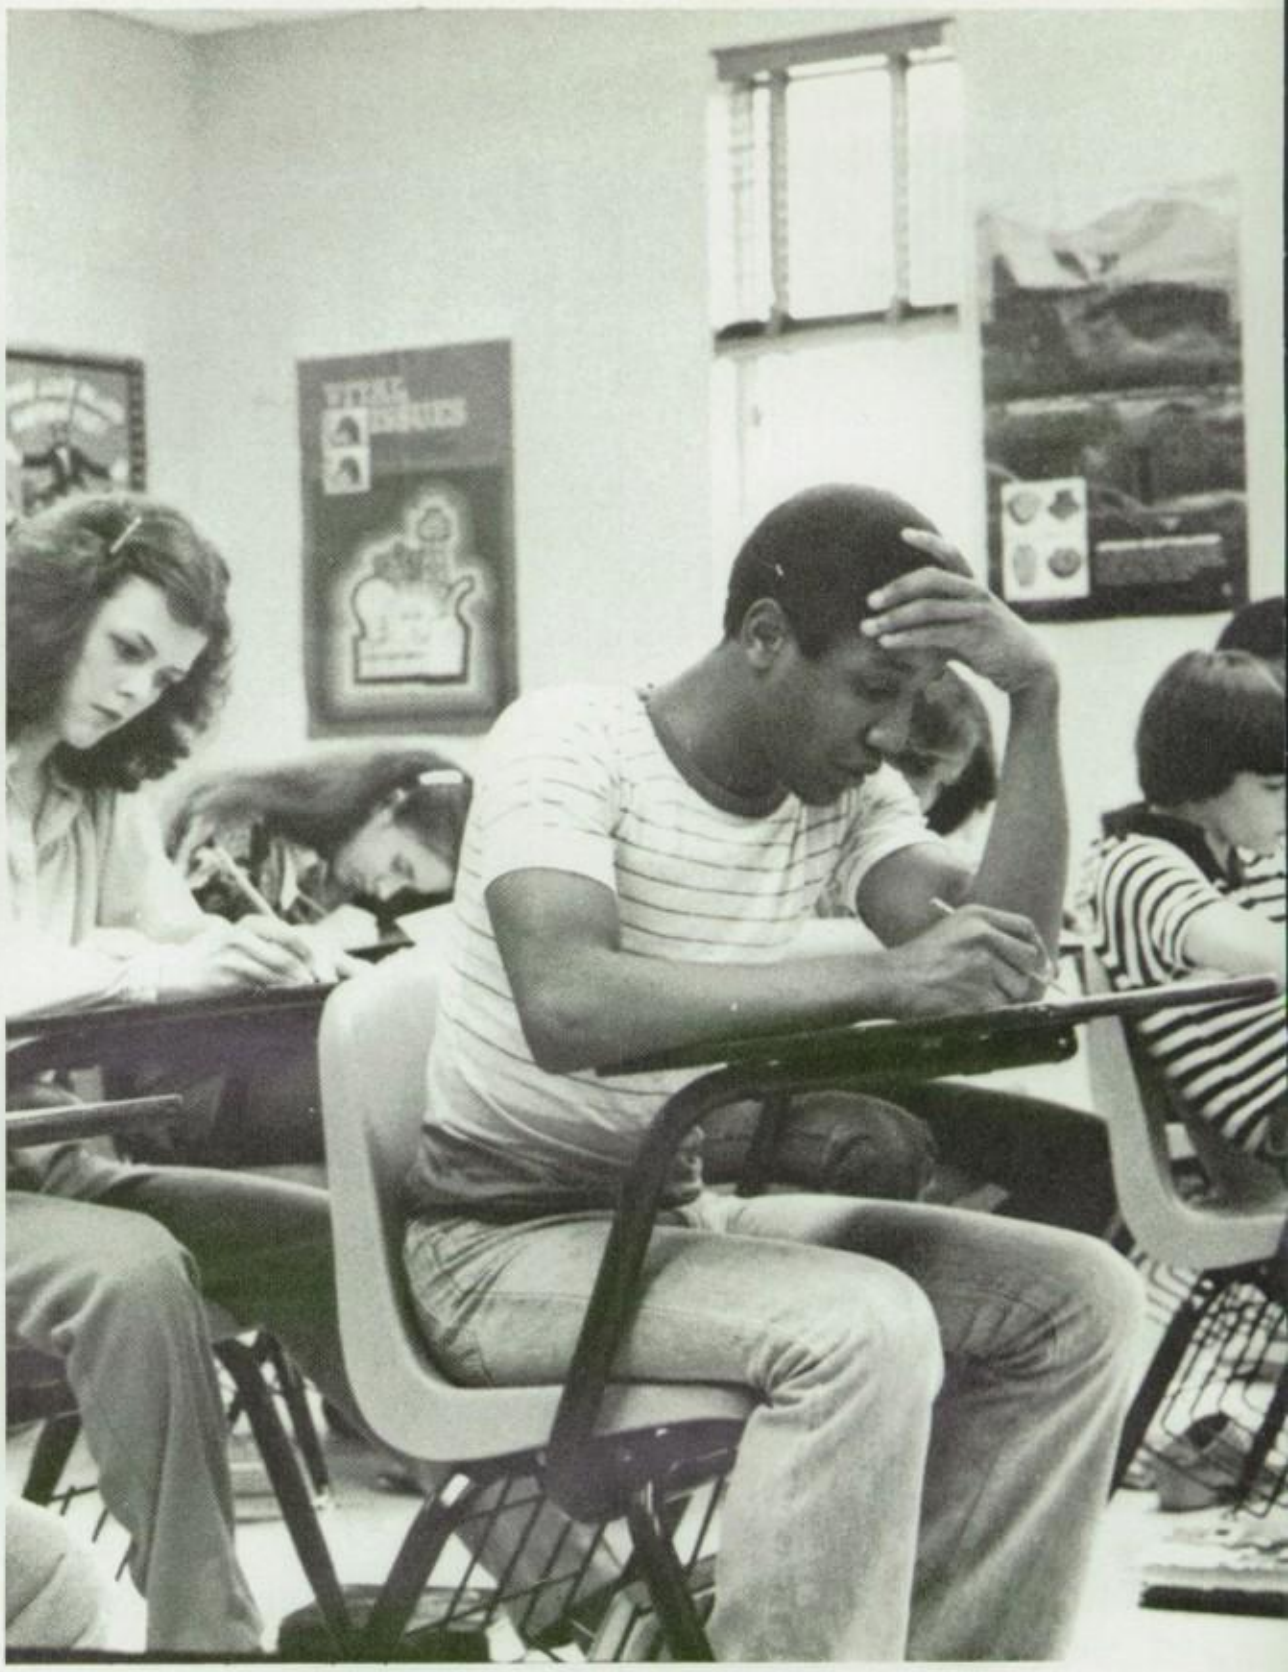
Hard at work. Lemmy Sample is too busy studying for mid-terms to worry about "finding himself."
What a mess! Finding something in this locker would be an adventure in itself.
Your attention please. Leah Allen enjoys a quiet moment with her own thoughts.
Two plus two. Marc Hogan works against the clock to figure out a puzzling math problem.
32 left, 14 right . . . Tiffany Crouch concentrates to keep the numbers straight.
And then he said! Gail Hunter utilizes the pay phone at lunch.
Objection sustained. Charlie Haithcox passes judgement on his classmates in a mock **Scarlet Letter** trial.

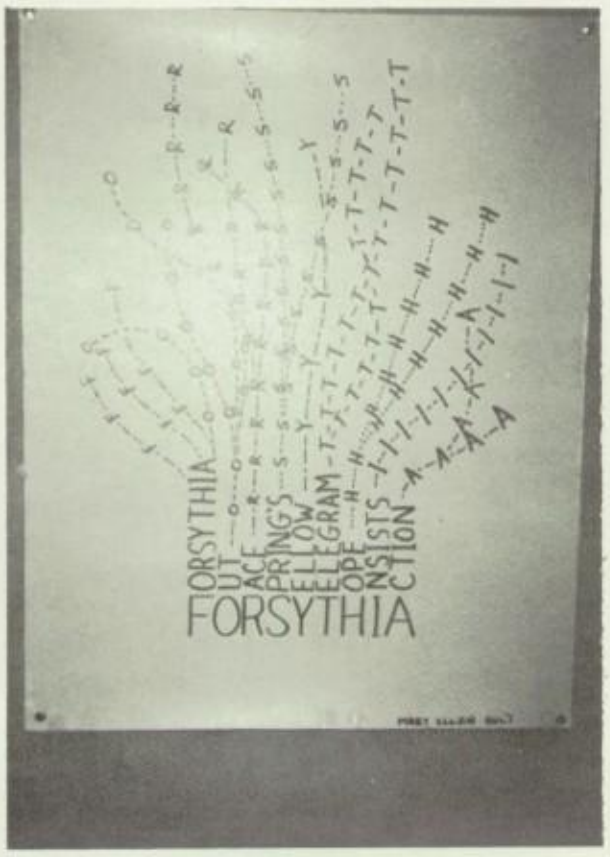
I'M A FERMATA
HOLD ME
I'M AN ACCENT
ATTACK ME

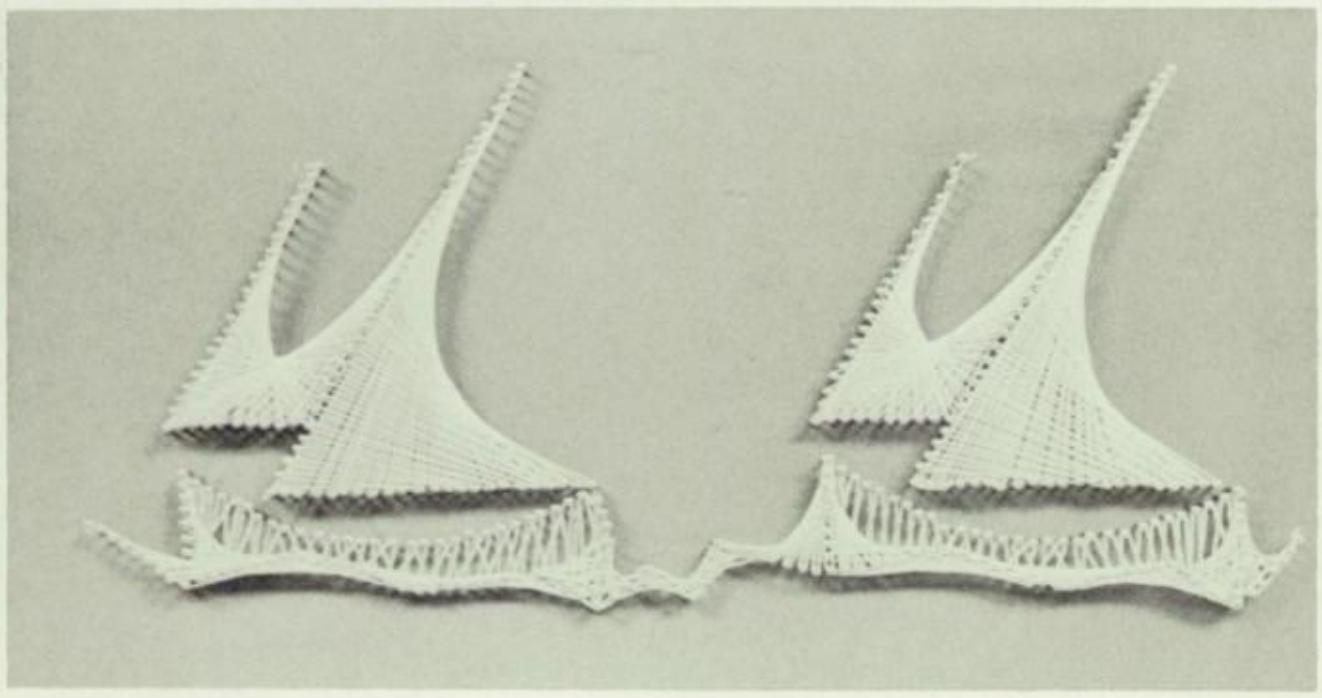
Fashion makes personal statement

Each student has his own statement to make in this puzzling world. Many found T-shirt slogans and other fashions to be the best way to express their thoughts or feelings.

"Have you heard?" Patti Murphy and Deborah Mitchell exchange the latest gossip in the ever popular overalls.
Musical graffiti. Robin Stanley and Jane Siler model their favorite T-shirts.
Look at us! Bryan Furr and Lee Smith adopt a look made popular by Mork.
Step right up. Comfort and brand names compete for students' preference in shoes.
Cheers! Bobby Gordon models a toga, the only acceptable attire for "toga parties" based on **Animal House.**
Casual comfort. Richard Kincaid displays a senior's nonchalance as the year's end approaches.
Decisions, decisions. Allen Troutman makes his upperclassman status evident by purchasing a class ring.
It's a bird, it's a plane . . . it's super principal H.C. Walters.







Ideas fall into place

The everyday classes of Western Guilford stimulate students to take puzling ideas apart. Studying the various aspects of English, math, history, and other subjects can be extremely challenging at times, and extremely dull at others. But, we are always learning, whether we are aware of it or not.

Is it for real? Phil Lee and Ginny Miller perform a mock wedding in Family Life.
Concentration. Greg Raleigh tries hard to remember all those little details.
What in the world? Lenny Holmes places his project just-so to make it perfect.
Can a poem be concrete? Mrs. Keller's students often found themselves deciphering strange looking poetry.
Z-z-z-z. Mary Maddrey takes time out for a little snooze.
Ship Ahoy! Geometry students combine ingenuity, mathematical precision, and loss of eyesight to produce such projects as this.
Scalpel ... **scissors** ... **sponge** ... Mark Brooks and Jimmy Bondurant explore the inner depths of biology class.

Cooperation unravels problems

Students working together make up the very existence of school life. Learning to work with other people helps us to grow and mature so that we are better able to help unravel the puzzles that life will present us in later years.

"World's Finest" spells Western. The Freshman Candy Drive was carried off in the finest Western spirit.

True Spirit. This car owner captures the school spirit by decorating his car in school colors.

Really working. Tiffany Crouch and Drew Wade are all smiles as they work in the attendance office.

Brain power. Laura Huffman and Figen Ciloglu work diligently to finish their homework.

That wasn't so bad. Mark McLemore "recuperates" after giving blood while HOSA member Laurie Moore looks on.

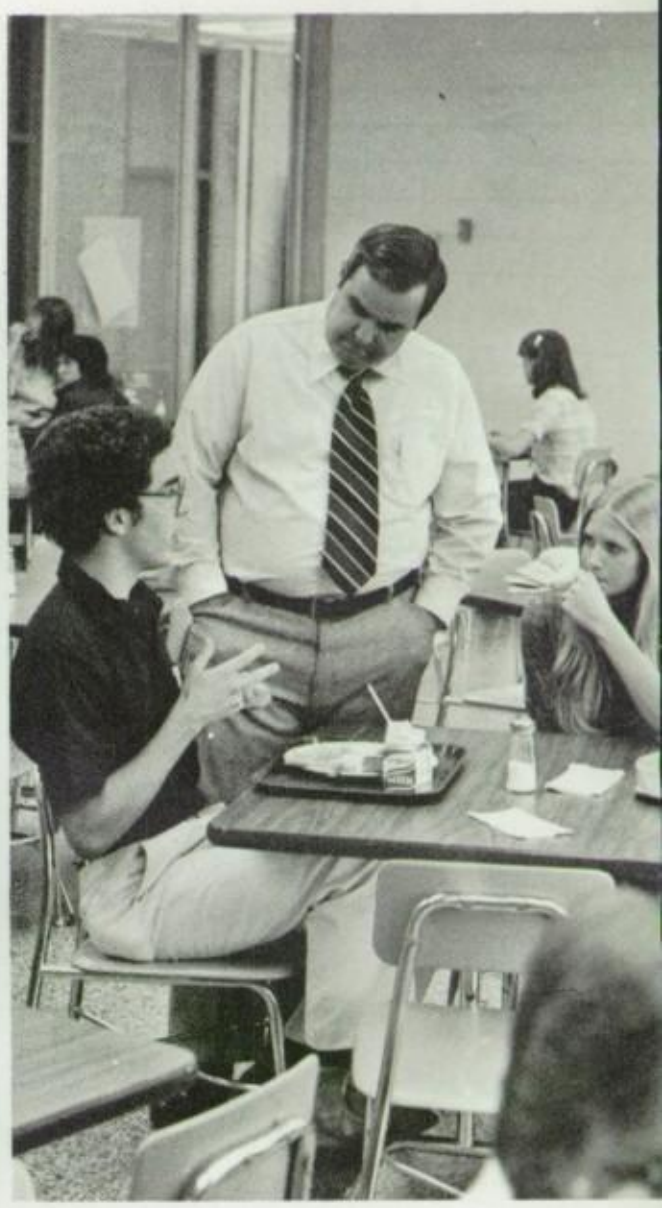
Friends make pieces fit

Relationships with other students and faculty members greatly influence our lives both at school and long afterward, as friendships are formed and memories are made.



Sweet nothings. Mary Dickens and Mark Bartenfield enjoy each other's company between classes.
A good listener. Mr. Carroll listens attentively to Scott Hudson's bus story.
Clowning around. Seniors fit in an extra three minutes of fun each day at lunch.
No need to worry. Valeria Knight and Faye Myrick discuss problems at break.
Que Pasa? Robin White, Sue Owens and Vicki Wilhoit find time during lunch to catch up on the day's events.
Eat hearty. Chuck Ruvolis and John Franks enjoy an early breakfast at school.
What's so funny? Jackie Sharpe seems happy about the outcome of her test as related by Mrs. Watley.

Controversial issues — testing and redistricting

The Guilford Community was split by two major issues during this puzzling year. The Competency Test decision made all upcoming graduates stop and think about what they're learning. But the redistricting issue was by far the most controversial. The division of the Western District due to the building of Southwest incensed many families, especially from the Cardinal Area.

PRE-COMPETENCY TEST? Robbie Robinson examines material in meeting where testing program is explained.
County school districts' zoning.
A new graduation requirement. Competency testing became a reality for juniors.
Crowded cafeteria. Sophomores found registration even more confusing than usual with the final school zoning issue still in question.

A weekend to remember

It was not the usual football game — "Western" style — but it was Homecoming. And the excitement of anticipation prevailed throughout the game even though it was evident, in the final minutes, that Northeast had successfully avenged their Homecoming loss of a year ago.

At the close of the first half, the crowd's attention was diverted from the scoreboard to the beginning of the halftime festivities. The band led off the entertainment with a flashy show to the music of "Tonight Tonight" and "Disco Inferno." The traditional red carpet was rolled out as the 1978-79 Homecoming Court was presented.

At last, the long-awaited moment for the Senior attendants had arrived. Ruth Jennings was named Maid of Honor and Beth Graybeal was crowned Homecoming Queen by co-captains David Pope and Mark Melton as the crowd responded with applause.

In the float competition, the Juniors took first place with their "Michelin Man" hornet and the Seniors settled for second, though not without some inner protest.

After the game ended with a devastating loss for the Black Hats, the Hornet fans departed the somewhat solemn stadium to crowd into Pizza Inn or the Ol' Miner.

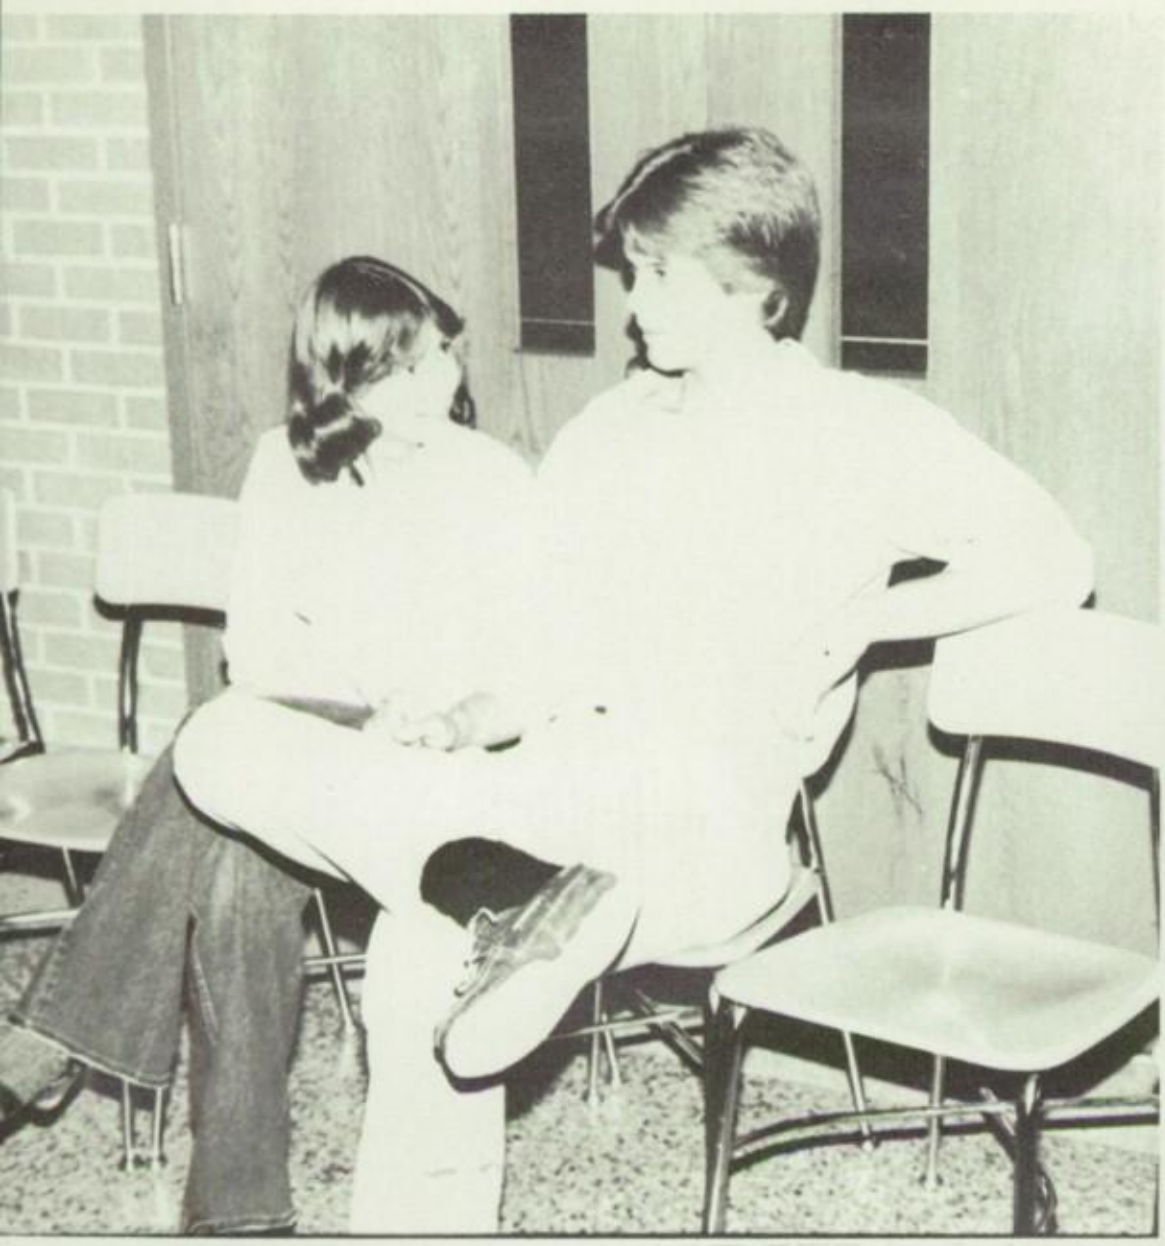
The Homecoming dance brought the spirited week to an end on Saturday night. Music was provided by "The Blind Driver" and the court was presented to the theme of "A Long and Winding Road."

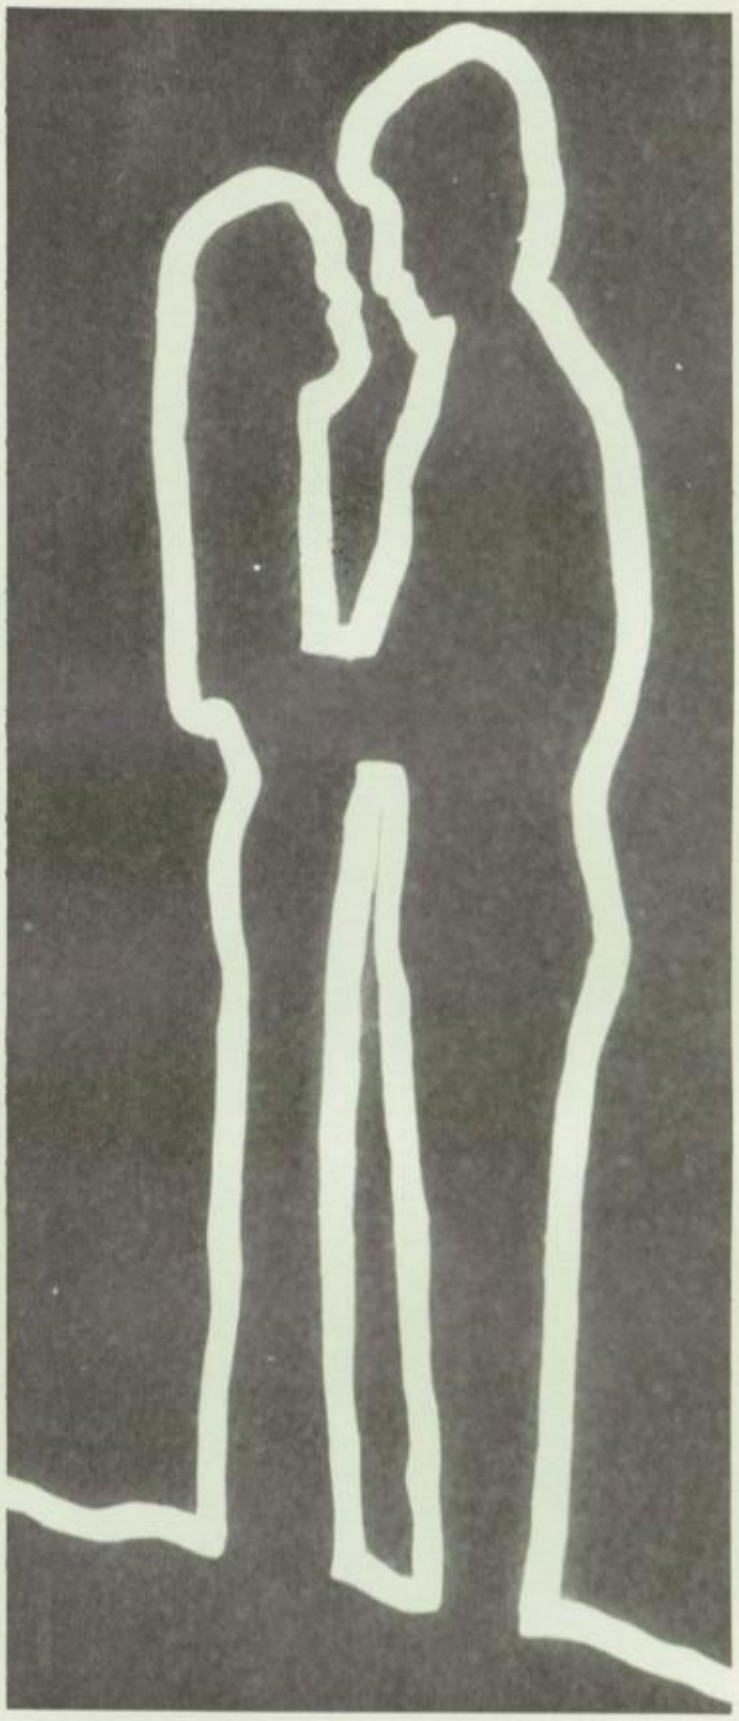
The attendants were: Lori Calton, Cindy Bell, and Clara Wallington from the freshman class; Susan Freeman, Paula Lane, and Sandy Vuncannon from the sophomore class; Cheryl Pearman, Marnita Raleigh, and Stephanie Smith from the Junior class; and Marcie Gilmer, Robin Williams, Ruth Jennings — Maid of Honor, and Beth Graybeal — Homecoming Queen from the senior class.

Homecoming '79 with all the fun and festivities was indeed a weekend to remember.

Jam! "The Blind Driver" provides the music for the evening. **Dance, dance, dance — keeping on dancing!** Beth Graybeal and escort Jack Bailey begin the dance to the theme of "A Long and Winding Road." **The Freshman attendants** — Lari Calton and Lee Smith, Clara Wallington, and Larry Reynolds, Cindy Bell and Randy McGraw. **The Sophomore attendants** — Susan Freeman, Sandy Vuncannon, and Paula Lane. **The Junior attendants** — Stephanie Smith, Marnita Raleigh, and Cheryl Pearman. **The Senior attendants** — Marcie Gilmer, Robin Williams, Ruth Jennings (Maid of Honor), Beth Graybeal (Homecoming Queen).

The disco craze hits Western





Disco dancing requires deep concentration, as can be seen on the faces of myriad dancers.
Too tired to dance, but not to talk to each other, Kim Holman and Chris Wilhoit have an inspiring conversation.
Silhouettes grace the commons area for the Jaycette dance.
Star light, Star bright. Elizabeth Dettle and Ricky Blackburn dance to the light of a falling star.
You're on my foot! Charlie Kolb gives a pretzel lesson to his sister Sandy.
"A wild and crazy guy" dances with Ruth Jennings.

Crunch! David Bartenfield goes for loose ball after a broken-up handoff attempt. **Captains** David Pope and Mark Melton provided leadership. **Listen Up!** David Bartenfield prepares to call the next play. **Gotcha!** Black Hat defense stacks up Eastern back. **Umph!** Jay Roberts meets Page back at the line of scrimmage.

At the beginning of the 1978-79 football season things seemed to be pointing to a minor image of 1977's opening few games.

Western had to once again encounter two 4-A powerhouses in Page and Ragsdale. And once again the Hornets opened their gridiron season at 0-2.

The season kicked off against Page as the Hornets got off to a quick start with an early touchdown only to be overpowered and defeated soundly 32-7.

The next week the defense held Ragsdale's high-powered wishbone to only 7 points, but this proved enough as Ragsdale's defense prevailed for a 7-0 shutout.

Finally, the new season bloomed and expectations of another conference championship arrived. But the Hornets may have taken Eastern Guilford too lightly. Lack of a potent offensive punch plagued the team and, although the defense fought savagely, the team went down to defeat 7-6 on a missed extra point.

The next week, however, the Hornet offense came alive to register a 17-6 upset victory over a strong Morehead squad on their own home field. After the first three losses this proved to be a definite morale booster as the offense once again went into a frenzy a week later at home against Reidsville. Although the defense allowed 31 points by the visitors, the Hornets registered a 35-31 victory.

Again just one scant week later the offense put on a show and the defense stymied Rockingham for a 35-0 shutout.

Thirty-five points seemed to be the trend as Southeast fell 35-16 in front of an irate home crowd.

Hornets share title

This set the stage for homecoming night against Northeast. After so long without one, the Hornets finally experienced a letdown which could not have come at a worse time. The offense faltered and gaping holes plagued the defense as Northeast ran away with a 21-12 victory.

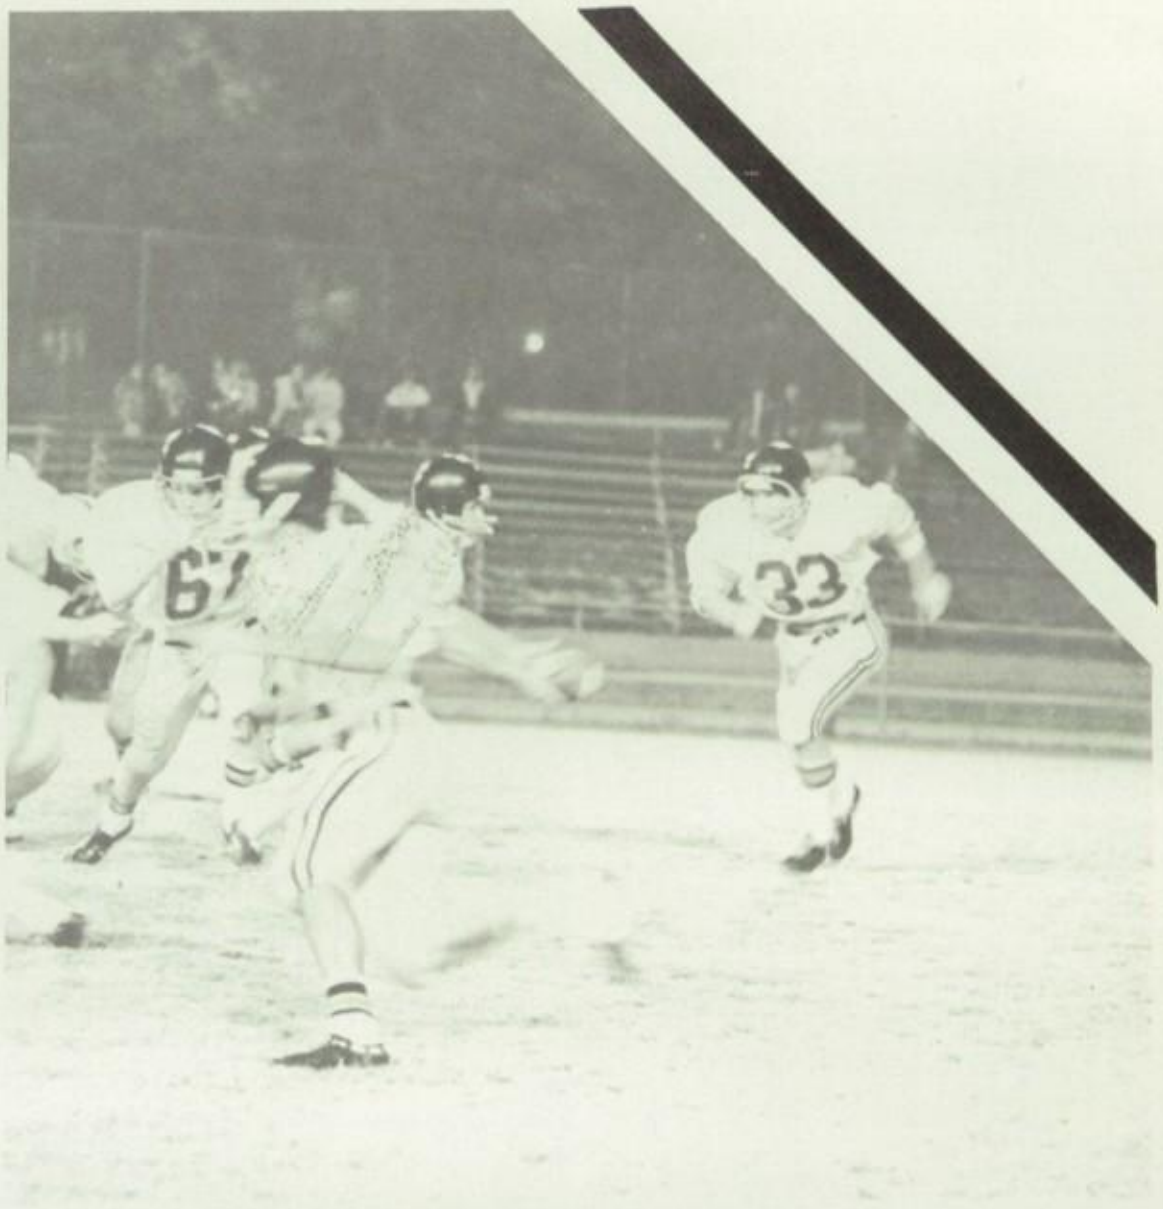
This put the conference in a turmoil with five teams still vying for top honors with only two weeks left in the season.

Bryan Furr took over at the quarterbacking position for the next game against Madison-Mayodan. A long pass to Scott Rhodes set up Western's only score as the Hornets escaped 6-0.

An injured foot ended Furr's successful reign at the helm but Kevin Hanner was available to move up from the J.V. ranks to gain valuable experience for the future and lead the team to a convincing 21-0 shalacking of arch-rival Northwest.

This ended Western's season at 6-2 in the conference and 6-4 overall, plus a tie for the conference title. Western lost the rights to go to the state playoffs by virtue of the draw and Northeast was trounced in the first round by Burlington Williams, 28-0.

Nowhere! David Bartenfield is harassed by the defense. **The Wall!** Phillip Morris has the wall in front of him on the kickoff return. **Sprint!** Phillip Morris sees daylight to the outside. **Off Tackle!** Jim McIntosh readies himself to take the handoff. **Boot!** Vann Holden kicks an extra point attempt.



The dynasty still lives

The 1978-79 edition of the Western Guilford Cross Country team kept their long tradition of winning alive by capturing the conference title in runaway fashion.

The team was able to go through the regular conference season without a loss and held their own versus outside 4-A competition.

Outstanding highlights over the course of the season included a second place finish in the annual Grimsley Invitational Cross Country Meet and also a fine showing in the State Cross Country Meet.

Outstanding Senior leader for the team was Bobby Wilhoit, who, over the course of his years in running at Western, has accumulated numerous records not only for Cross Country but also for track.

Another very special attraction to this years team was the presence of a fine crop of female runners. Joining veteran female runner Sue Owens on this year's team were Vicki Wilhoit, Tammy Rohme, Robin White, and Debbie Brown.

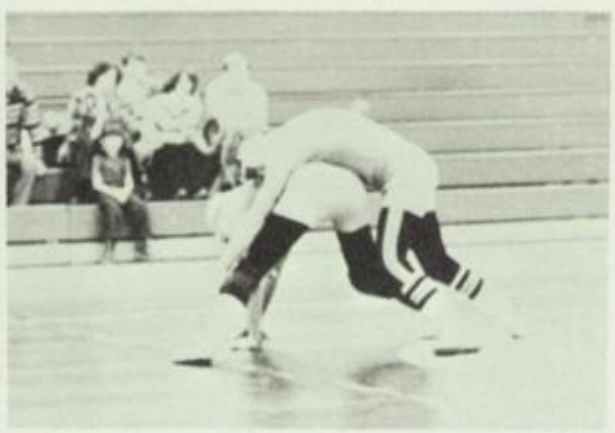
With the graduation loss of only one senior, the future looks extremely bright for strong teams to come along.

Varsity Cross Country Team 1st Row: Bobby Wilhoit, Kenny Crawford, Mark Moxley, Ernie Norman, John Ivarsson, Gary Patterson. 2nd Row: Tammy Rohme, Robin White, Vicki Wilhoit, Sue Owens, Debbie Brown, Cathy Coleman.

Pant! Ernie Norman kicks his way to a personal record.
Finally! Sue Owens kicks her way across the finish line.

Varsity Wrestling Team. 1st Row: Jeff Raleigh, Darryl Fransisco, Ken Trollinger, Dallas Baldwin, David Grant. 2nd Row: Eddie MacEldowney, Eddie Armfield, Troy Nicholas, Greg Raleigh, Pat Jenks, John Hansen. 3rd Row: Billy Goodwin, Alan Prevette, David Mallard, Mike Venable, Craig Reynolds. 4th Row: Bill Pequigney, Brian Raleigh, Dale Sowers, J.D. Cohen, Paul Fidishun, Dan Parks, June Hayes.

Fine year for matmen



After struggling for many years the Western Guilford Black Hornet Wrestling team has finally come into its own.

As the season wore down Western became one of the top teams in the conference and in the end came away with a glittering 9-4-1 record with the tie coming in a late season match with by far the premier team in the league, Northwest — a fine accomplishment against such strong competition.

Over the course of the season the Western grapplers shattered such conference opponents as Madison-Mayodan, 60-18, Eastern Guilford, 67-6, and Rockingham County, 66-12. The Northwest squad was ranked 7th in the state of North Carolina when the Hornet matters were able to force them into a tie in their last encounter, 29-29.

One outstanding star of this year's team was Senior Jeff Raleigh. Over the course of the season Jeff was the number one wrestler in the conference in his 157 lb. weight class. He was then able to advance to sectional competition where he once again placed first and wasn't defeated until finally the second round of the state meet. His final record for the season stood at 28-2.

Now that wrestling has come back into its proper perspective for Western Guilford the outlook is even brighter for stronger teams in the future.

Whistle! The whistle sounds to begin the first round of the match.
Whew! Referee gets a closer look at an attempted pin by David Grant.
Ug! Troy Nicholas strains to try and gain a take-down.

Varsity Volleyball team. 1st Row: Gail Gorham, Nancy Dorn. 2nd Row: Ginger Wilson, Lisa Stockton, Diane Brewer, Sandy Vuncannon, Robin Campbell, Cheryl Cato, Gail Hunter. 3rd Row: Coach Mickie Tuttle, Becky Reddick, Lari Calton, Cheryl McDonald, Sarah McIver, Vicki Wood, Kim Ray, Wendy Ray, Sherry Chappell, Constance Cecil.

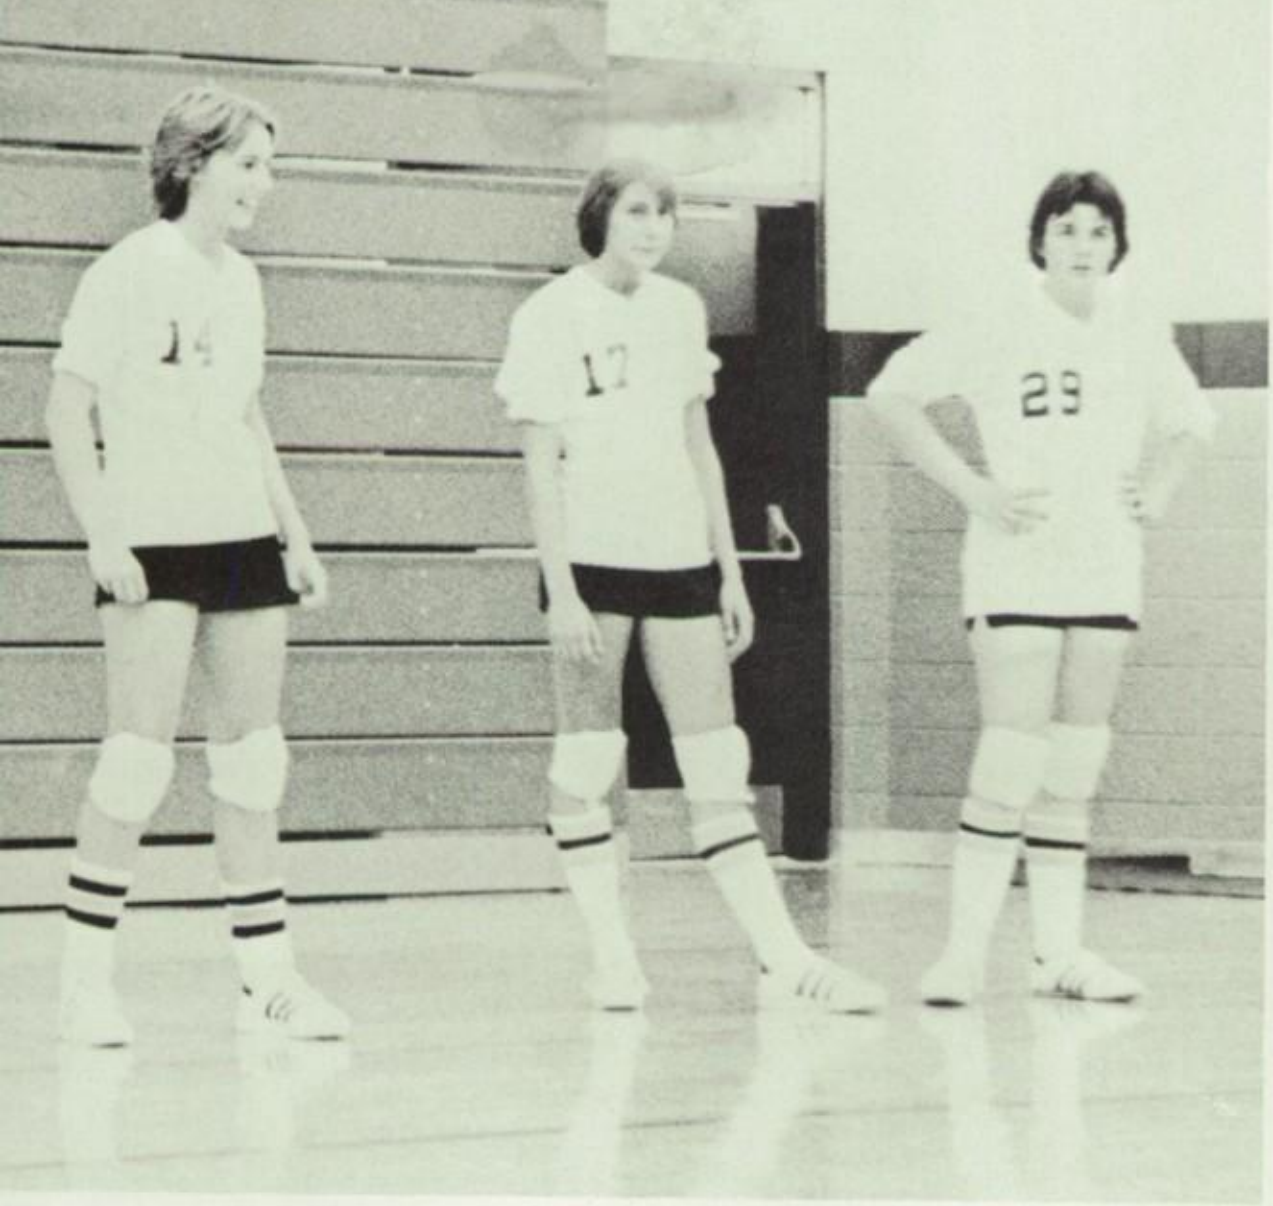
Volleyball team rolls to title

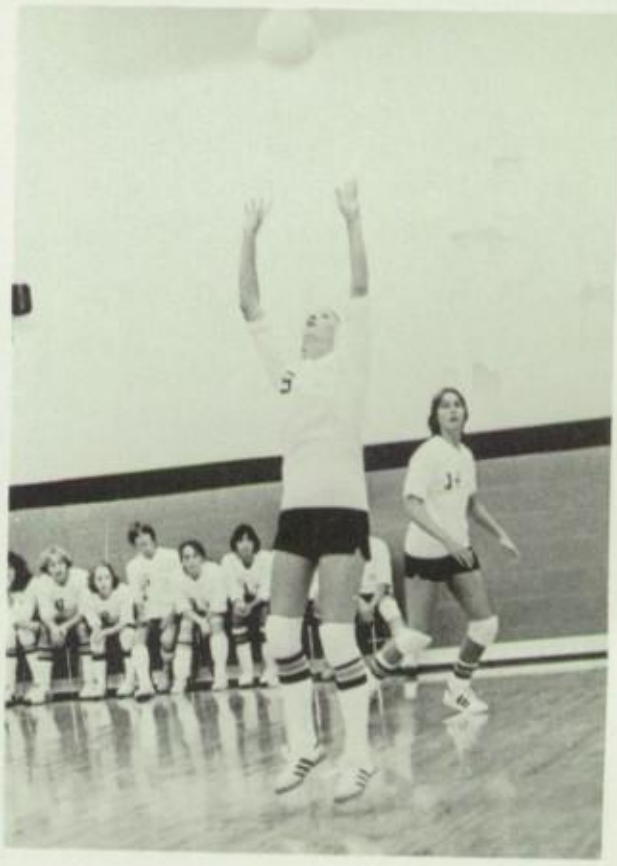
The 1978-79 Varsity Volleyball team kept their winning tradition intact this season by demolishing almost any opponent.

The netters began the season seemingly struggling by dropping two scrimmage matches to Raleigh Millbrook and to Ragsdale. However, the team recovered to capture their next eighteen regular season matches in a row over conference opponents Eastern, Reidsville, Morehead, Rockingham County, Madison-Mayodan, Southeast, Northwest, and Northeast.

Three more matches were to follow as the Hornets swept through the conference tournament by defeating Northeast, Southeast, and Morehead in the Championship.

The Hornets finished the season losing to Northern Durham in the state playoffs. All-Conference honors went to Nancy Dorn, Sherry Chappell, and Cheryl Cato.





Smash! Nancy Dorn makes her serve count.
Dig It! Sherry Chappell has to dig out a low hit ball.
Umph! Kimberly Ray gets her all behind a tough shot.
Get Set! Players set up on baseline before whistle sounds for match to begin.
Set It up! Gail Gorham sets the ball high for a smash.

Girls' tennis team improves greatly

The Women's Varsity tennis team had an outstanding season in 78-79 and were able to finish the season with a .500 record for the first time in Western Guilford Tennis history.

The team began the season under head coach Sue Reaves and it soon became evident that she was willing, as were the players, to work hard to better themselves.

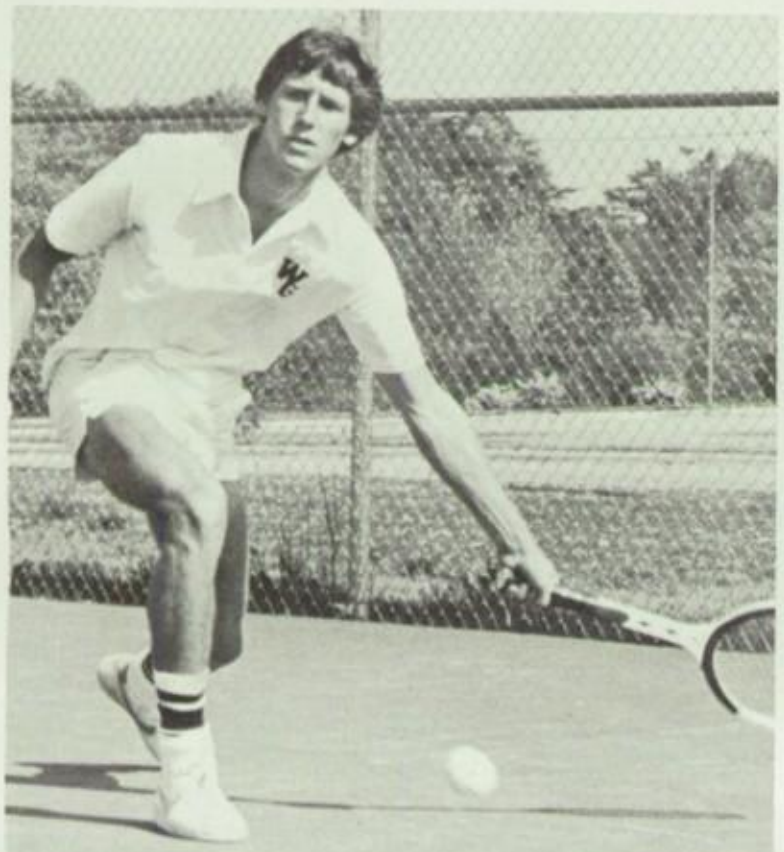
Strong non-conference opposition helped the Hornets to get psyched for the tougher conference matches.

The team finally finished the season with a respectable 7-7 record and a third place finish in the Triad 3-A conference.

The team will return all members for 79-80 as there were no seniors on the team to graduate.

Women's Varsity Tennis Team. 1st Row: Julie Prevette, Jennifer Smith, Heidi Bachman, Anne Johnson, Michelle Pearmon, Cathy Bell, Margaret Dees. 2nd Row: Cindy Bell, Margaret Prevette, Mandy Coble, Coach Sue Reaves, Missy Mann, Dana Archibald, Louise Boquist.

Rip! Cathy Bell rips her backhand from the baseline.
Mash! Dana Archibald gets her weight behind her serve.
Touch! Margaret Dees concentrates on her placement.
Finesse! Missy Mann follows through on her backhand.
Stretch! Lee Smith shows his extension on a groundstroke.
Dink! Drew Wade shows touch on his backhand dropshot.
Kick! Bryan Coble uses his kick serve to shun opponents.
Smash! Ty Stout uses his patented backhand topspin.



Mens Varsity Tennis Team! 1st Row: Tab Barnes, David Broach, Ty Stout, Drew Wade, Tony Wong, Fred Garvin. 2nd Row: Jerry Green, Wayne Watterson, Bryan Coble, Steve Cooper, Lee Smith, Gavin Naquin, Mark Griffin.

Varsity Tennis has come into its own for Western Guilford as the male Hornet netters were able to capture their first conference title ever by outdistancing Morehead and Reidsville.

The team entered the season with high expectations and when it came down to the final matches they were not to be denied.

Led by number one singles player Lee Smith plus an extremely talented cast of followers, the team had nothing to do by midseason but look over their shoulders at the also-rans.

The team finished with a remarkable 10-0 record against conference opponents and 11-2 overall. This sets the stage for better things to come for Western Guilford's tennis future.

Boys' tennis team takes conference crown

Off year for varsity boys

The 1978-79 boys' varsity basketball team fell on hard times as they survived the season by claiming only 8 wins against 15 losses.

The Hornets kicked off the season with what was to be their toughest test of the season against Page. After being severely trounced, 65-82, the team seemed slated for trouble. (Page went on to win the state 4-A crown.)

The first victory for the Hornets came against Northeast as the Rams found it hard to keep up with the fast-paced game and were defeated 79-57. Conference power Reidsville was to be next and they used their front line strength to overpower the Hornets and win convincingly 73-81.

Eastern came to the Hornet gym next in hopes of victory but it was not to be as Mike Everette and Bryan Coble led Western to its most convincing win of the season 87-73.

Then came trouble. The team fell into a tailspin and dropped its next four games in a row, plus 7 out of 8. Madison-Mayodan breezed by the Hornets 35-66, as did Northwest 63-87. Ragsdale took advantage of the eratic play to hand Western yet another loss 64-74. Then Western once again had to face Page. The Hornets fought off a third quarter deficit to go ahead with only seconds to go only to lose by a pair of free throws 75-77.

In the opening round of the Rockingham Christmas tournament the Hornets looked unstoppable and routed Stoneville 77-68. But hardship was to follow once more as the team dropped its remaining two tournament games, to Morehead, 63-69 and to Rockingham County, 69-82.

Back in regular season play Western once again had to face Morehead and once again came up short by a score of 44-48.

Finally, though, the team seemed to gain some identity. Ragsdale was to be surprised, 69-62, as was Southeast twice, 74-62 and 65-59. But good fortunes didn't last long. Three losses in a row, to Reidsville 68-85, Eastern 60-68, and Madison-Mayodan 54-61, nailed the coffin shut on Western's season.

The Hornets were able to win 2 out of their last 5 games by beating Northwest 62-60, and Northeast 63-52 while losing to Morehead, 59-73, Rockingham County, 84-95, and Morehead once more 44-58.

Mike Everette, a junior, made all conference and will lead Western into the 1979-80 season.

Letdown for female cagers

Inconsistency spelled doom for the 1978-79 edition of the Western Guilford girls' varsity basketball team.

The team opened their season with two losses, the first being a scrimmage loss against High Point Central and the second a regular season loss at the hands of 4-A Page, 45-61.

The initial victory of the season came against a lowly Northeast squad as the Hornets came away victorious by the score of 63-57.

The next game seemed to be one of two turning points for the team over the course of the season. The Hornets easily trounced Reidsville 66-45. Although they dropped their next game 41-49 to Eastern, the team finally seemed to be on track for the long season to follow.

The team exploded to win the next six games in a row. First, the Hornets ripped Madison-Mayodan, 48-41, then buzzed by Northwest, 62-40. Victories over Ragsdale, 53-52, Page, 60-52, Morehead, 78-54, and Rockingham County, 53-52, showed the Western girls as a force to be reckoned with around mid-season.

But then, the early season erratic play returned to haunt the squad once more and they suffered. A loss to Ragsdale, 63-64, plus two in a row to Southeast, 24-40 and 44-50, put the team into a depression from which they could never recover.

Four more losses in a row were to follow. They lost to Reidsville, 42-54, Eastern, 40-46, Madison-Mayodan, 48-51, and Northwest, 50-51.

Finally the team got back into the win column with two victories over Morehead, 56-52, and Rockingham County, 59-43.

A final regular season loss came against Northeast, 37-43.

The team was eliminated in the first round of the conference tournament by Rockingham County — a forgettable end to a more than forgettable season.

JV boys finish 10-9

The J-V Boys' Basketball team had a good year although they didn't finish as high in the standings as they had once expected. The team finished fourth in the league with a record of 10 wins and 9 losses.

At one time in the year their record was 9 wins and 5 losses and things were looking very optimistic. However, Randy McGraw was moved up to a varsity role and the team lost 4 out of its last 5 games.

Some of the outstanding players were David Berry, Mike Fogleman, Kevin Hanner, Randy McGraw, Phillip Morris and Billy Oden.

With the experience gained this year the Jayvees should be a large asset to the varsity next year.

Up and down year for freshmen

The 1978-79 Ninth Grade Boys' Basketball team had an up and down year accumulating a final record of 7-7.

The team looked sparkling at times gaining basket after basket off a running style game, but at other times the defense broke down and the offense became inconsistent.

Up and coming varsity stars of this year's team included Joey Quick, Micheil Riccio, Thad Chesson, Stacey Chappell, and Gray Siler.

J.V. football toughs it out

Strong competition led to a tough season for the 1978-79 edition of the J.V. Football squad. The team finished the season with a final record of 3-5.

Inexperience hindered the squad as the Hornets fell to Ragsdale 14-35, Morehead 7-12, Reidsville 7-18, Southeast 12-35, and Northeast 0-58.

Wins of the season included a 25-6 shellacking of Eastern, a 28-6 pasting of Rockingham County, and a hard fought victory over Madison-Mayodan for the final game of the season.

Future varsity stars for this year's team included Kevin Hanner, Thad Chesson, Ashley Bell, James Vincent, Hans Simpson, Damon Solomon plus many others who with greater experience will keep Western Guilford teams strong in the years to come.

Out of danger. The defensive line give Thad Chesson the room he needs to punt.

In the cold of February, a group of men met. Some knew what to expect, for this was nothing new to them, but the rookies looked up and wondered. While most people tried to stay inside if at all possible, this group battled the cold, the wind, the rain, to become something elite — a Western Guilford Trackman.

February fell away to March as the first meet approached. Against stiff competition, and as yet untried, these men entered each event with only one goal, to win. And win they did. The team finished first in all but one meet and in that meet, with half the team gone, they finished a close second.

Winning became a tradition. The tradition was upheld in the conference meet as Western ran away with the championship.

In the sectional meet, many performances were cut due to bad breaks, but despite these happenings, the team came up with a respectable position.

In the City-County meet, against larger schools, Western came up with a sensational second place finish.

Junior Jeffers and Bobby Wilhoit went to the state meet to represent Western. There they upheld the epitomy of Hornet pride with good personal performances despite personal agony.

The team will suffer heavy graduation losses of many senior record holders but a strong future should still be in store to hold up the tradition of track excellence.

Girls' team strong again

The 1978-79 Girls' Varsity Track team had another outstanding year by keeping up the tradition of track excellence in capturing sole possession of a sectional title for the second straight year plus a share of the regional title.

Led by superstar tracker Sue Owens in the field events and Wendy Ray's high jumping talents, the team barely let slip the conference title to Morehead.

The only loss of a regular season meet came against Morehead but occurred when some team members were absent due to prior commitments concerning track.

Though losing the conference title, the Hornets were able to rebound to capture the sectional title by outdistancing Dudley for the second year in a row.

To add to their prior accomplishments, Western sent a group to the state track meet as well and these girls, including Margaret Shepherd, Wendy Ray, Mandy Coble, and Sue Owens, were able to place ninth out of fifty-five schools competing.

Next year's team should once again prove a strong contender for the state title.

Golf team places second

The 1978-79 Varsity Golf team fell upon hardships over the course of the season and as a result was not able to retain their hold on the conference title for the first year out of the last four.

Although injury problems were to arise for the team they were still able to escape the season with a fine overall record.

The graduation loss of last year's state medalist of course would hurt any team; however, the team was still able to be successful.

The team finished a close second to Reidsville in the final regular season conference standings and placed third in the conference tournament behind Reidsville and Morehead.

Although the entire team was not able to sectionally qualify for the state tournament, Richard Kincaid was individually able to qualify and shot rounds of 74 and 76 to gain a 14th place finish overall for the year.

Although only second place was gained this year the outlook still looks bright for the future.

Softball team improves

After improving on last year's record and moving up in the conference from last to sixth, the girls' softball team seems finally geared for contention status in future seasons.

The final record for the team stood at 6-8 in conference action, and an overall record of 7-11 which were records good for the sixth place finish.

Sherry Chappell and Robin Campbell, two standouts on the team, gained all-conference status to the all-county team as well.

These two girls were also the batting leaders for the team with identical .474 averages.

With the graduation loss of only one senior from the team the future looks very much brighter for a higher conference finish next year and beyond.

Baseball third in conference

The Western Guilford Varsity Baseball team had an outstanding season this year. The Hornets were third place in the conference achieving a conference record of 10-6. Their overall record was 11-7.

David Bartenfield was a large asset to the team as proven by his being selected as most valuable player and City-County Player of the Year.

Coach Casey Jones is expecting a good ball club next year with the loss of only four players. He commented, "We had a good season and are looking forward to next year with anticipation of better things."

The Senior Class put all the puzzle pieces together to form the whole picture. After twelve years, the pieces of their lives were interlocked in friendship.

The completed puzzle was regarded somewhat sadly, however; for after graduation seniors recognized the inevitability that this unity would fragment. Aware of the fragility of the bonds of time, seniors worked and shared, making the year memorable.

The year began with the election of class officers. Gail Gorham, Figen Ciloglu, Dawn Cummings, and Bill Loftin were responsible for obtaining senior privileges and organizing float meetings at Ginny Miller's house.

Homecoming was a special and sad event because it was the last one the seniors would attend as students. For Beth Graybeal, Ruth Jennings, Robin Williams, and Marcia Gilmer, it was an extra special night as senior attendants.

Through the year, maturing relationships were made as the seniors took on the leading role in the student body. Rising for seniors at assembly was an experience long anticipated but also greatly appreciated. It was a scary experience at first to be recognized as seniors, but gradually the experience of being "stood up" became routine.

The senior year will long be remembered for the hard work, but also for all its fun. What senior could possibly forget the prologue to **The Canterbury Tales** or the fun at athletic events or the beach trips? Although the senior year had its ups and downs, the class pulled together to make the pieces fit.

ACROSTIC: Solve the following puzzle to find out the position held by the students pictured below. (Each number stands for a letter in a sequentially numbered alphabet.)

11	2	13	21	21	25	8	8	5	11	22	21	

Upper Left — Seniors: President Gail Gorham, Vice President Figen Ciloglu, Secretary Dawn Cummings, Treasurer Bill Loftin. **Upper Right — Juniors:** President Keith Flynt, Vice President Charles Wallington, Secretary Margaret Dees, Treasurer Larry Barnes. **Lower Left — Sophomores:** President Kevin Hanner, Vice President Mark Gorham, Secretary Susan Freeman, Treasurer Mary Evans. **Lower Right — Freshmen:** President Stacey Chappell, Vice President Leigh Paige Hanner, Secretary Lisa Stockton, Treasurer Steve Poe.

Juniors

Class unity was evident in the juniors as a feeling of purpose developed. The pieces of the puzzle began to move together, and the pattern of high school life took shape. With the greater unity of purpose came greater anticipation as the juniors awaited the moment when they too would reach the center of Western life as seniors.

Sophomores

Sophomores often seemed to be the least noticed class, yet the sophomore year served as a time of growing and realizing potential. In the puzzle one sees patterns forming and pieces coming together, while in sophomore life one saw personalities forming and friendships being linked together.

Freshmen

The freshmen at Western entered the puzzle of high school life as separate and distinct pieces. There they remained detached and aloof for a time; but gradually as they were introduced to new ideas and people, they began the process of reaching out and coming together.

JOIN NOW. GO LATER.

You can. No problem.

Sign up now and wait 12 months before you go on active duty. Provided you're a high school senior.

Out of high school, you can still sign up now and be allowed up to six months before you head to boot camp.

Joining now, going later has another advantage for you. There's a seniority pay benefit that covers the time between the day you sign up and the day you start active duty.

HAVE SKILL. WILL PURSUE.

Any previous training or experience will be put to good use. And the Coast Guard gives you credit for it. Example: show you're a graduate of an approved resident training course in electronics. Right after boot camp, you can be promoted up to pay grade E-5 immediately. More seniority and more pay. Works too if you've been in the Naval Sea Cadets or Junior ROTC of any service. You may qualify for enlistment at a higher pay grade.

HAVE FRIEND. GO TOGETHER.

Perfectly OK. In the Coast Guard, there is a buddy plan. If you and a buddy sign up together, we'll guarantee that you'll go through at least boot camp together. (Program only open to members of the same sex.)

Cone fabrics have meant ease and comfort right from the start . . . since 1895, when Americans first started living in them.

One of our early offerings was Cone deeptone denim. And soon we became the leading manufacturer of this popular fabric.

Next came corduroy. Once the fabric of kings, it became a favorite among Americans of all ages.

But Cone didn't stop there. In fact, denim and corduroy are just two of the many fabrics that have won acclaim for Cone Mills in its 83-year history.

Today, with 21 modern plants, Cone creates a whole line of quality fabrics for casualwear, sportswear, sleepwear, uniforms and career apparel. Fabrics for home decorating and sewing—even polyurethane foam—are now a part of the Cone family of products.

The almost 14,000 employees of Cone Mills are proud of their part in creating the basic fabrics that are the backbone of American casual fashion . . . and proud of the satisfaction each fabric gives you.
